# DRIVER IMPROVEMENT PROGRAM “DIP”

UPDATED : 5-8-2012

**Memo from the DIP Program Manager:**

- Welcome to the **Driver Improvement Program**. Our goal is to offer a Driving Program to meet the needs of the driving public and the court system. This course is designed as a court referral program to “take away” those unwanted assessed points to your driver’s license, by taking an 8 hour driving course.
- The sites offering the courses and the curriculum of each course are governed by Missouri Revised Statute 302.302.
- A course may be taken once in 36 months.
- Take note that not all courts will except the DIP courses. Please contact the court for approval prior to taking a driving course.
- Sites and phone numbers are subject to change. Contact the state office for changes at:
